

University of Florida | Department of Medicine
Division of Nephrology and Hypertension
Nephrology Clinical Case Conference

“Vascular access evaluation and function monitoring”

Presented by:
Osama Elhilali, MD
Nephrology Fellow

Friday, March 18, 2022 | 12:00 pm – 1:00 pm
ZOOM Meeting

LEARNING OBJECTIVES:

Upon completion of this activity, participants should be able to:

1. Discuss methods of vascular access monitoring and surveillance and the limitations
2. Describe the blood flow stress test
3. Discuss access recirculation including its diagnosis and implications

Disclosure

Osama Elhilali, MD has disclosed that he has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>. All relevant financial relationships have been mitigated.

Accreditation
